

## **Timberwolf Table (NTC)**

**Who:** Since opening in November 2017, Timberwolf Table has been visited over 400 times, providing “food for a day” to current NTC students attending classes at the Wausau and regional campuses. Northcentral Technical College wants all students to be successful, and they know that’s hard to do when basic needs aren’t being met.

**What:** Current NTC students are invited to visit Timberwolf Table, on the 4th floor of the Center for Health Sciences, once a week during the following hours. When visiting, students will self-select a number of items from several categories including breakfast, fruits and vegetables, protein, pasta and soup, and miscellaneous.

**Where:** Center for Health Science, 1000 W Campus Dr, Wausau, WI 54401

Phone: 715-803-1294

Email: [timberwolftable@ntc.edu](mailto:timberwolftable@ntc.edu)

**When:** Mondays 11:00 a.m. – 2:00 p.m, Tuesdays 3:00 pm. – 6:00 p.m, Fridays 11:00 a.m. – 2:00 p.m, or by appointment (please call).

**Additional Information:** If you attend classes at a regional campus, you can take advantage of Timberwolf Table services, too. Simply stop by the front desk of your preferred regional campus once a week, and they will provide you with a bag of non-perishable food items designed to provide food for a day.
